Dr. Joshua Lederberg  
Professor of Genetics  
Stanford University Medical Center  
Palo Alto, California

Dear Josh:

Re: Joint paper on memory.

Speech was transcribed from tape and it now awaits some editing by me to make it simply understandable. Have not forgotten the possibility and will send you a copy of the edited draft in next couple of weeks.

Sincerely,

A handwritten signature in dark ink, appearing to be "Seymour S. Kety". The signature is fluid and cursive, with a large loop at the beginning and a long horizontal stroke at the end.

Seymour S. Kety, M.D.

Kety, S.
